Hello Parents of Montgomery Academy,

I am delighted to introduce myself to you as the new Chief Executive Officer of Fylde Coast Academy Trust. This is my first term full time in post, during the Spring I was fortunate to spend some time getting to know our schools and the organisation.

Having visited all ten of our schools it has been fantastic to see pupils and staff positively engaged in learning. I have been impressed with the welcome and friendliness shown to me in each of our schools. I look forward to working with our school leaders to further develop and improve the work we do to enable all of our pupils to happily and successfully progress through each stage of their education.

I am keen to learn more about what you as parents and carers value most in our schools and also what you'd like to see get better or introduced to support your son or daughter to do better in school. Please look out during the summer term for a survey to collect your views and opinions on your school and [Fylde Coast Academy Trust](http://www.fyldecoastacademytrust.org.uk).

Finally, I wish all of our pupils who are sitting tests and examinations in the coming weeks every success. I understand the last couple of years have been a challenge in lots of different ways for families, but I've every confidence in our resilient young people to do their best and succeed.

Warmest regards

Dean Logan
