Dear Parent/Carer,

I am pleased to share with you an event that has been organised next week and would like to invite parents and the community to the event. As you will be aware mental health is a huge focus for all schools and as a school we want our students and parents to have access to the very best information. With this in mind, we have organised our very first mental health and wellbeing market place.

The market place will take place next Thursday, 4th July, and is an opportunity to speak to a range of different services highlighted on the poster on the back of this letter. Students will have the opportunity to attend the market place from 12.30pm-2.30pm with parents and the community invited from 2.30pm-3.15pm. It is our hope that the market place will grow over the next few years and be a valuable resource for our Montgomery family.

Furthermore, if you would like to speak to anyone in school about mental health our mental health lead is Mrs Hughes. In addition, we also have 4 trained mental health first aid champions and intend to extend our team further in the years to come.

If you would like further information about the event or if you would like to be involved, please do not hesitate to contact Mrs Hughes or myself. We look forward to seeing many of you there.

Yours faithfully,

Mrs E Cumming

(Assistant leader of personal development, behaviour and welfare)
