Inspiring Excellence Together

1<sup>st</sup> February 2021

Dear Parent/Carer,

I am writing to introduce you to the new remote provision that we trailed with students last week, Tutor GMeets. Each week students will be invited to a GMeet with their tutor for a 15-minute tutor time. The purpose of the tutor time is to ensure that students have access to pastoral support and to be able to engage with their peers. The tutor will go through the weekly notices and then students will have the opportunity to speak and chat to each other and their Progress Tutor. The meeting will take place once per week at 9am on the following days:

**Monday – Year 7**

**Tuesday- Year 10**

**Wednesday- Year 11**

**Thursday- Year 9**

**Friday- Year 8**

Students will be sent the link to their meeting (via their school email address) the day before the meet and again just before, for them to enter. The subject of the email with the link will be:

Subject: (Tutor group) Tutor GMeet (Date of Meet) E.g. **7A1 Tutor GMeet 01.02.2021**

If your child attends the weekly tutor GMeet their tutor may not contact you for their weekly pastoral call, however, you should hear from someone at least every fortnight. In the meantime, if you have any issues please email your child's tutor, their year team or contact our main school reception for support.

In addition to this provision, all students have been invited to our health and wellbeing google classroom. The classroom has a vast range of resources to support students during this difficult time. The classroom supports mental health, has circuit classes with our PE team, art and baking activities, career advice for our KS4 students, nutritional guides and recipe videos for staying healthy, stress management resources, resources that emphasise the importance of sleep, plus various activities to encourage time away from the screen. If your son/daughter has not accessed the classroom please encourage them to do so using the codes below:

Google classroom code KS3 (year 7, 8 & 9 students): **wrleozx**

Google classroom code KS4 (year 10 & 11 students): **zfpa4rc**

As always thank you for your continued support and if you have any further questions please do not hesitate to contact me.

Kind regards,

Mrs E Cumming  
Assistant Headteacher
