

## **Year 8 Summer Summative Assessment 23-24 Revision List**

- Electrical circuit symbols
- Series and parallel circuits
- Magnetic force of attraction and poles of magnets
- Magnetic materials
- Vaccinations
- Balanced and unbalanced forces
- Separating mixtures
- Compounds, mixtures and elements
- Animal and plant cells
- Mass, weight and gravity
- Speed calculations
- Respiration and circulation
- Photosynthesis
- Plotting graphs and data analysis
